6. Please identify any problems or changes in your training project that will affect the budget, scope or timeline of the project. Is your training on schedule? What are the reasons for any difficulties or delays? Are you over budget/under budget? Have you had to change the initial scope?

Please provide an explanation to this change and your resolution to the variance.

We had no training scheduled during this grant reporting period, thus no problems or changes. Work was follow-up on students, evaluation and planning only.

7. How are you or will you be evaluating the individuals being trained to ensure competency, skill level and understanding? (Testing, assessment, etc)

No training was completed during this time period.

8. Please identify areas that we can assist you in the future.

We will continue to offer industry awareness training for 16 – 24 year-old youth if funds permit.
